

Professional Identity in Nursing

International Society for Professional Identity in Nursing

GROUP ACTIVITY

Goal: After reviewing the video exemplar, work within your group to develop a resource that can be *applied* in nursing practice, education, regulation, and/or policy development to promote Professional Identity in Nursing.

Group Members	
Working Title of Resource	
Specialty Focus (practice, education, policy development, regulation)	
Purpose of the Resource	
Intended Audience	
Evidence to Support the Resource (e.g. Standards Professional Performance, ANA Code of Ethics, QSEN, AACN Essentials, AONE, etc.)	
Step-by-step instructions (Explain how the resource is to be used in practical application (bedside, classroom, clinical simulation, laboratory, etc.)	

Professional Identity in Nursing

International Society for Professional Identity in Nursing

Spokesperson: Please Use the 3 Points Listed Below to Frame Your Report for Large Group Discussion (4 minutes)

Identify the primary specialty from which your group considered the video scenario	
Provide a brief description of the resource (what is it?)	
Describe how your group envisions the resource being used and by whom
